

Support Group Volunteer Agreement

As a Support Group Leader for the Restless Legs Syndrome Foundation, I support the Foundation's goals of increasing universal awareness, developing effective treatments and through research, finding a cure for RLS. I will assist in this endeavor by developing meetings and facilitating discussions for people with RLS to share their experiences. I will work with the RLS Foundation to provide current information about treatments and ways to communicate with healthcare providers.

As a volunteer Support Group Leader, I agree to:

- Submit a volunteer application and participate in a telephone interview.
- Review the RLS Foundation Support Group Notebook.
- Represent clearly that you do not have a professional medical background in RLS (if applicable) and that any information you provide is not medical or treatment advice.
- Allow your name and phone number and/or e-mail address to be listed on the RLS Foundation website and in the quarterly NightWalkers newsletter, and respond to callers seeking information.
- Notify the Foundation promptly if your contact information changes or you are no longer able to continue as a support group leader.
- Keep the Foundation informed as to the group's successes or challenges.
- Fill out and return the End of Year report form yearly.

The RLS Foundation Agrees to:

- Provide a complementary membership to the Foundation.
- Develop one meeting flyer and provide one mailing.
- Notify you of grant opportunities when available.
- Provide a training manual and periodic training opportunities.
- Provide quarterly newsletter containing helpful information for group facilitation.
- Assist facilitators with support group concerns.
- Provide complementary materials (copies of *Living with Restless Legs*, the Medical Bulletin, and videos) and other resource materials as they are developed.
- List the support group contact information on RLS Foundation web site and *NightWalkers* newsletter.
