

Restless Legs Syndrome Foundation Healthcare Provider Membership

The Restless Legs Syndrome (RLS) Foundation maintains an online public directory of healthcare providers who specialize in treating patients with RLS. If you would like to be included in the directory, and gain 24/7 access to all of our RLS publications, return this form by mail with \$49 annual membership dues*.

Note: All applications are reviewed to confirm experience before posting on the RLS Foundation HCP Directory.

First Name MI Last Name (Suffix: MD, PhD ...)

Institution (Please apply separately if there are additional doctors in this practice)

Address

City State Zip

Telephone (for online directory) Email (for online directory)

Specialty		Professional Organization Memberships	Number of new/follow-up RLS patients you treat in a month	
____ Family Medicine	____ Psychiatry	____ AASM	____ 0	____ 11-15
____ Internal Medicine	____ Sleep Medicine	____ AAN	____ 1-5	____ 16 - 20
